Payment of Fees

It is preferred that parents/guardians pay the College fees at the start of the year and in full, attracting thus a \$100 discount on the tuition fees. However, where this is not possible, parents can pay on a term-by-term or fortnightly basis. Arrangements for such payment options will be made through the College's Bursar. Fees can be paid by cash, cheque or direct debit.

IT IS A CONDITION OF ENROLMENT THAT THE ARRANGEMENT FOR THE PAYMENT OF FEES IS AGREED UPON AT THE TIME OF ENROLMENT.

Concessions

Families experiencing difficulties in paying the College fees must make an appointment with the Principal to discuss the matter. Every effort will be made to assist such families in this regard, keeping in mind that the College also has to cover its own operational expenses. However, no child will be rejected for financial reasons. Discussions held on this matter will be done so in the strictest confidence. The Principal will then pass on her recommendations to the College's Bursar who will make the necessary adjustments to the fees.

Written Notification

Parents/guardians wishing to withdraw their children from the College must give one term's notice, in writing, to the Principal in order to receive reimbursement of the unused portion of their fees, where these have been paid in full for the year. Failure to provide advance written notice of intended withdrawal will result in a refund that is less one term's fees.
