NEWSLETTER REFLECTION

Lenten Reflection

The feast of Easter is quickly drawing upon us and Christians throughout the world will celebrate the bodily resurrection of Jesus Christ. Part of being a Christian entails not just the profession that Jesus rose from the dead but that he also is the Son of God, the second person of the Holy Trinity who, at the Incarnation became human flesh. The Church calls this doctrine the Hypostatic Union, which means Jesus had two distinct but not separate natures, one nature being truly God and the other nature being at the same time, truly man. In its description of Easter Sunday and the forty days in which Jesus was seen alive after his Passion and death, the Catechism of the Catholic Church in Paragraph 642 highlights the facts that “Peter and the Twelve are the primary “witnesses to his Resurrection”, but they are not the only ones - Paul speaks clearly of more than five hundred persons to whom Jesus appeared on a single occasion and also of James and of all the apostles.” (1 Cor 15:4-8; Act 1:22) The Catechism then goes on to say in paragraph 643, “given all these testimonies, Christ's Resurrection cannot be interpreted as something outside the physical order, and it is impossible not to acknowledge it as an historical fact.” Let us therefore reflect for a moment and ponder the reality that Jesus, who is God, literally rose from the dead, conquering death, so that you and I may have the opportunity of eternal life in heaven.

Message from the Directors

Welcome everyone to term one of 2018, and a special welcome to new families, students and staff. We look forward to a happy, safe and enjoyable year where we all work hard and do the best we can in all subjects. We also hope that all students and staff are enjoying their new early childhood classrooms. Since the MCM Sisters from the Philippines have left us, Sister Lynn and Sister Felicitas from the Ursuline Sisters have joined us and will begin teaching the Catechesis of the Good Shepherd to Early Childhood students next term. Welcome Sisters! We hope that you will be happy here.

From the Accounts Department...

As a new year begins this generally means school fees. We in the accounts department are here to help out in any way to make things as easy and smoothly as possible. This is always helped by, school fees and bus fees being paid in a timely manner, with all Electronic Funds Transfers (EFT) being clearly narrated with the name of student in the reference.

As fees are issued on a term by term basis, we ask that they be paid within that term. If finances are difficult and you are finding it hard to make payments, please do not hesitate to contact the school to make an appointment with the Principal in an effort to discuss the situation and a possible payment plan.
