LAST DAY OF TERM 3

From the Principal

Our Book Week Parades were a fantastic success. Thank you to Mrs Pullella, Ms Larkin and Mrs Grove for their superb organisation. It was great also to see the staff joining in on the theme and dressing up. I am amazed, as I was this time last year, at the amount of time and effort parents have put in to ensure their child/ren were dressed in character. Well done to all who made these events so successful. Thank you also to Mr Matthew Gilfellon (Shire of Chittering CEO) who came along to assist with judging and presenting awards.

Students, staff, parents and the wider community had a great time at our Secondary Athletics Carnival last Friday where the core values of sportsmanship were well and truly alive! Thank you to the HPE team Mr D'Andrilli and Mrs Hannd, the P&F and all of the others that were involved in making this day the success it was. We can now look forward to our jam-packed Primary School Athletics Carnival being held next week on Wednesday 8 September.

As part of our commitment to being a Child Safe Organisation, Paul Litherland will be visiting our college next term to speak with the Year 5 - 12 students. Paul is regarded as one of Australia's leading Key Note Speakers on Internet Awareness. Paul has had coalface experience working in the Technology Crime Investigation Unit of the WA Police Force. Paul will also hold an evening session for parents that you won't want to miss! More information to be given as it nears.

Happy Father's Day for this coming Sunday to all of our wonderful dads in the community!

Mrs Meika Gough

Book Week 2021

Our Primary and Secondary students have been participating in several activities in the lead up to the Book Week Parades.

In Primary, we have been working on writing collaborative narrative texts. Each week, the students have been introduced to a new mystery box, filled with a range of interesting items to spark imaginative writing. Based on the items, the class wrote a different section of the text and passed it to the next class to continue the story. The stories will be uploaded to the SEQTA Splash page. We hope you enjoy reading them.

A #BookMatch Challenge was displayed outside the Administration building where students had to match the book to the teacher. Well done to Sabine Zillessen and Kelsey Van Heemst who managed to guess them correctly after many attempts!

The secondary students and staff all looked amazing on Thursday, and the lunch time parade was very entertaining. So much work and collaboration amongst the students - well done to all that participated!

For Friday's Primary Book Week Assembly, we had two special guests visit the school - Foundation Principal, Angela Evangelinou-Yiannakis, read "Wombat Went A Walking" to the Year 2 students, and Shire of Chittering CEO, Matthew Gilfellon, attended our Book Week Parade to announce the winners. We met Pocahontas from Old Worlds, Xalien from New Worlds and Veruca Salt from Other Worlds. To see a list of primary school winners and photographs, please visit the SEQTA Splash page.

Divine Mercy Church Mass Times
Saturday Vigil 6.45pm - Sunday Latin Mass 11.30am

From the Board of Directors

Now that the rain has passed, after having the wettest winter so far in fifteen years; the Secondary building is progressing, with bricklaying well underway! The next build will be for Stage 3 of the Primary School, which will include two classroom blocks, as we need more room for our rapidly growing College. We now have the College Masses in the Divine Mercy Church on Tuesdays and Thursdays! It is great to see the College Choirs growing and providing most uplifting music and such angelic voices for the Masses! Well done Mr Chua, Mrs Leith and Miss Dalzell for forming the choirs! Keep up the great work everyone and we hope that you all have an enjoyable second semester.

Secondary Athletics Carnival

Friday was yet another brilliant example of our College spirit, joining together in novelty games, individual events and team relays. The highlights include the 3-Legged Parent Race and the finals of Tug-O-War - Students vs Staff, where the stamina of the seniors prevailed in a nail-biting finish! The students made considerable effort to support their faction wherever possible and for many, their sights were set on breaking personal bests from class sessions. We are very proud to have witnessed **26** event records being broken this year. Individual performance development is a huge focus during Term 3 each year but it does not come without the dedication and enthusiasm of our students.

The event would not be possible without our parent volunteer officials; Alison Reliti, Alison Gooch, Jenni Kenworthy and Katherine MacLachlan. Thank you for your continued support.

A big thankyou to the P&F for supporting the event with the catering and Cup of Eden who is always with us oval-side to perk us up. It was lovely to see the families who attended the Secondary Carnival, as we all know, a little bit of cheer goes a long way in our small community. Congratulations to our Champions and Spirit Award winners and thank you to our event sponsor, Slater Gartrell, for providing a gift voucher to our best dressed competitor - Blair Gooch.

The 2021 Athletics Secondary shield goes to Fortitude (back to back)!! Congratulations students for making it a very close contest right until the very end.

Mrs Hann and Mr D'Andrilli - HPE Dept

From the Theology Department - COVID and Faith

The COVID-19 virus in Australia and around the world has changed our lives. The media doesn't help with its never-ending fearmongering and sensationalism, confusing people even more.

Christianity since its inception, has endured periods of great tribulations, divisions and persecutions. Hard times are not foreign to Jesus or our Catholic tradition. In fact, faith has been for many, a source of much comfort and consolation in such times. There is a Catholic saying "Stat crux dum volvitur orbis" (The cross remains firm while the world spins). In the IHC community there is one thing that remains constant - God.

In this time of uncertainty, it is good for us to ground ourselves spiritually to Jesus and Mary as our source of peace. Hardships are always a test of personal character and integrity. Mary, the mother of Jesus, appeared at Fatima in 1917 to warn the world of tribulation. She concluded with the comforting words "but at the end my Immaculate Heart will triumph". If we let God into our personal battles and struggles, He can conquer the darkness in us and give us the light and peace we need in our minds and our homes.
