Principal's Report

On Wednesday 8 September the College held our annual Primary School Athletics Carnival. The turnout of parent, families and the wider community was huge! Thank you for joining us on this exciting day and a big THANK YOU to those parents who assisted in the success of this event.

Congratulations to our Year 10 students who have just completed two weeks of Work Experience out in the community in various industries. We have received great feedback from employers and at least nine of our students have received casual job offers or school-based traineeships for 2022. This is a credit to the commitment and drive of each student and a fabulous reflection on our College teaching staff.

Our secondary build is well underway. It has been exciting this term to see the earthworks completed, the pad go down and the brickwork commence. Next time you are on campus, have a sneak peek across the oval to see the action.

Staff have just conducted a second uniform blitz with the secondary students during this term and I'd like to report that the attention to detail with individual students has improved dramatically. The number of uniform breach notices issued has diminished substantially and we'd like to congratulate students and parents for adhering to the Uniform Policy in its entirety. We will continue on with our endeavours to ensure all students across both the primary and the secondary campuses are looking smart and adhering to College standards. Thank you for your support.

Stay safe and enjoy the upcoming school holidays!

Kind Regards,

Mrs Meika Gough

Deputy Principal's Report

One of our favourite words at IHC is "kind", and we talk frequently to the students about how they treat others, and how they should expect to be treated. Fortunately we have a majority of students who are kind - they think about the people around them, they are respectful, and they look out for their mates. But, there are always those few who have to be reminded of this - their actions and words are not kind and cause distress, this is not acceptable, and the College appreciates your support in our quest to deal with this.

At the last secondary assembly, I shared with the students a quote from one of my heroines, writer and activist Maya Angelou. She said; "I've learnt that people will forget what you said; people will forget what you did; but people will never forget how you make them feel." I've charged the students to always make sure that the feeling they leave behind in others is a good one.

Mrs Susan Shaw

Primary Interschool Team

Congratulations to the following students who made the 2021 Primary Interschool Team!

YEAR 3

Holly Metcalfe
Rhiannon Searle
Chelsey Hohnke
Selina Lukatelich
Lucie Posetti
Hayley Springett

James Joubert
Tommy Rose
Axel Cornwallis
Logan Wimshurst
Elliot Beedham-Giblin
Tom Malynn

YEAR 5

Brooke Ngaheu
Makenzie Parkinson
Mariella Gorddard
Hannah Rose
Ella Kitto

Fynn Kelly
Mack Maio
Ashton Meakes
Jesse Meakes
Tyson Dewhirst
Jack Van Den Bosch

YEAR 4

Eevie Turner
Arya Lomas
Astasia Gooch
Jazmine Woodman
Sylvee Lavender
Olivia Birkle

Jasper Thomas
Hamish Hall
Jack Knapp
Braxton Kalajich
Mitchell Diano

YEAR 6

Matilda- Rose Smith
Lilly Malynn
Lacey Thomas
Ivy Popovich
Abby Kitto
Indiannah Johnstone

Cuba Zillessen
Max Weiss
Jack Weiss
Oliver Joubert
Christopher Gorddard

Year 10 Work Experience

Our Year 10 students have been busy working in the big wide world! We have received glowing reviews of our students being polite, respectful, and exhibiting excellent initiative.

Mrs Kim Knight

Zane Houston

Sophie Morton

Niamh Hagan

Tayla Todd

Darsha Price

Flynn Mitchell

Phoebe Higgins

Gabby O'Callaghan

Year 10 Home Workshop

During week 6, the Home Workshop students tried their hand at automotive mechanics. The students worked on the school ute, learning how to safely jack a vehicle up and support it, before changing the oil, filters and spark plugs. Although none of the students had much mechanical experience, they picked up the skills quickly and should be proud of the knowledge they have gained.

Mr Craig Gorddard

Year 9 Outdoor Education

On Thursday 9th of September, the Year 9 students completed a bike and hike expedition up at Avon Valley National Park. It was a wet and muddy test of the student's fitness, but all students can be proud that they completed an 8km ride and 4km hike, negotiating mud holes, steep terrain and prickly wattle. Though the day was wet, the scenery and wildflowers were a great reminder to the students of how lucky we are as a school to be located so close to such beautiful locations.

Mr Craig Gorddard

Theology

In Theology, the Year 7-9 students are learning about Catholic Social Teaching and in particular, community service.

The Year 7 project is to choose one or two of the Corporal Works of Mercy and do four voluntary hours in the community.

The whole class has spent 35 minutes on Monday the 13th of September picking up as much rubbish as they could and returning lost property to their owners.

Each year group is looking at different ways to service the wider community and we can't wait to hear about some of the ideas and actions they come up with.

Miss Elysha Dalzell
