

# Message from the Interim Principal

*Dr Angela Evangelinou-Viannakis*

Dear Parents and Carers of Immaculate Heart College

I am certain that everyone would have appreciated the long weekend that has just passed! This being a short week, we will find ourselves racing towards the finish date for Term 1, which is Thursday 7 April for the students, and Friday 8 April for the staff.

### Swimming Carnival

Although I wasn't able to be present at the Swimming Carnival, due to my UWA teaching commitments on a Friday, I have learned that it was a great success and I congratulate Mrs Skye Hannd and Mr Jordan D'Andrilli, in the first instance, as well as all the staff involved in bringing this event to fruition.

Congratulations are extended to all the students, both participants and observers, for their engagement in the event and their enthusiasm for their peers and factions. As I stated in my address that was read out on the day, I started swimming lessons for the students in the school's foundation year (2012), with the view that one day they would be involved in both inter-faction and even inter-school swimming carnivals. It is encouraging, therefore, to witness the development that has taken place during the decade that has passed. Well done, to all involved!

### NAPLAN

Preparations are underway for this year's National Assessment Program - Literacy and Numeracy (NAPLAN) for Years 3, 5, 7 and 9. Mrs Kim Hughes (NAPLAN Coordinator) and I have undergone our online NAPLAN training, and processes are already in place to ensure that the teachers of the respective year levels will receive the required Professional Learning for this year's testing, which will be undertaken fully online by the students. Mrs Hughes will ensure that all parents and students are kept abreast of developments in the lead up to the testing in May.

# Immaculate Heart News

## Save the Dates

Monday 14 March

OLNA Round 1 - Numeracy

Tuesday 15 March

Youth Leadership Conference Student Council  
Year 5 Project Compassion Bake Sale

Wednesday 16 March

Year 4 Excursion - Swan Valley Activity Centre

Thursday 17 March

St Patrick's Feast Day  
Year 6 Camp Bake Sale  
OLNA - Writing

Friday 18 March

St Joseph's Feast Day

Wednesday 23 March

NIPSSA Interschool Primary Swimming Carnival - Years 4 to 6  
PP-12 IHC Netball Squad Commences training

Friday 25 March

Feast of the Annunciation

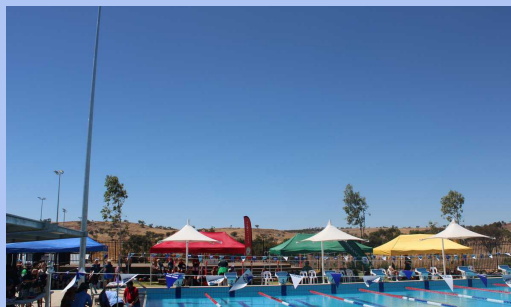

Assemblies - Thursdays

Week 9 - Greek Assembly - Primary School

## Well done Prudence!

Winners of both  
Primary and  
Secondary  
Swimming Carnival

As parents cannot access the College grounds, assemblies will be recorded and uploaded to Seqta.

# Shrove Tuesday & Ash Wednesday

The Church's Lenten season has begun. Shrove Tuesday is traditionally the day that people clear out their pantries and now fridges to prepare for the time of fasting, prayer and giving. This is where we get the tradition of Pancake Tuesday; it is easiest and best way to use all the flour, milk, and eggs in our household.

Every year, our Year 8 students spend time cooking pancakes for the whole school. As our school grows bigger so too does the job, and this year they did not back down from the challenge to cook 420 pancakes. The Pre-primary students also had a go at mixing batter and cooking pancakes for their class.

Ash Wednesday is the official start of Lent, Christians (even some non-Christians) go to church to receive an ash cross on their forehead. The words spoken over each person is either "Remember that you are dust, and to dust you shall return" or "Repent and believe in the Gospel". In our repentance and fasting, we are to imitate the people in the Old Testament and Jesus in the desert, so that we can grow in our self-control and to allow our souls to become the best versions of ourselves.

## Theology Department

Miss Elysha Dalzell

### Year 6 Passion Play

Year 6 Passion play practice is under way! They will be filming the play so we can watch it on the last Thursday of the term in our classrooms. It will be uploaded to SEQTA for parents to view too.

### Friday Focus - Currently in place of Mass due to COVID-19

This term COVID has restricted us to having only one year group attending mass each week, therefore, the Campus Ministry team have been creating a Friday focus to lead the students in prayer and activities around the readings.

## Media Arts

Ms Kelly Burton

The Year 10 Media students have been exploring Photography this term and have produced some impressive work of our quaint, humble school grounds. Students learnt about the Rules of Composition as well as the Elements of photography such as line, colour and contrast. We hope you enjoy a collection of some of our favourites!

Below is a picture of the Year 7's doing the Action Whispers activity which broke open the topic of how gossiping and judging people based on our assumptions is unfair and not what Christ calls us to do.

## Colour Blindness

Ms Rebecca Young - Clinical Nurse

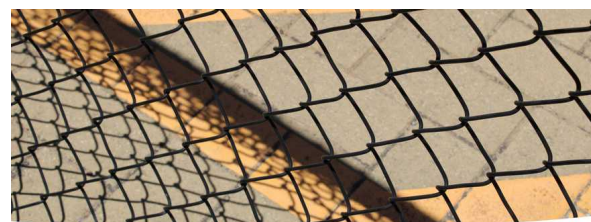

Children who are colour blind can see as clearly as other people but can't tell the difference between some colours or see colours differently from other people. Very few people who are colour blind are 'blind' to all colours - most often they see red and green as very similar.

It's good to know if a child is colour blind because they may have difficulty at school with activities that use colours, such as drawing and sorting blocks, and with computers. Please read through information on colour blindness provided by Raising Children Network.

If you have any concerns, colour vision testing can be performed by some General Practitioners (GP), eye specialists or optometrist.
