# IMMACULATE HEART NEWS

PHOEBE BEEDHAM-GIBLIN – YEAR 10 MEDIA

## Message from the Principal's Desk

*Mrs Samantha Da Luz*

Dear Parents/Carers

We are nearly there ... not just the end of the first term, but also the conclusion of Lent and preparing for the most important event in the liturgical calendar for Catholics: Easter. There are so many things to reflect back upon: the things we have achieved, the things we could have done better and sometimes, the things we regret doing. That is why this term's virtue, Temperance (or self-control) has been such a valuable one with which to begin the year.

We farewell Mrs Natasha Alivojvodic our Performing Arts teacher who is embarking upon maternity leave and waiting eagerly for the arrival of her first baby. We welcome Ms Emma Scott who will be filling Mrs Alivojvodic's shoes whilst she enjoys this special time with her new baby. We also welcome two new Education Assistants: Ms Sarah McNally who is working within our Secondary classes and Mrs Christine McCormack who is undertaking the MacQLit intervention classes from Years 3-6. Interrogating the data that the school has collected from all national and standardised tests, we have identified specific areas for focus. We look forward to reporting upon these targets in greater detail next term with our Intervention team now fully in place.

I am very thankful for everyone's efforts this term and with that feeling of gratefulness, we concluded this first term with a very moving and well-presented Passion Play by our Year 6 students. Thank you to their teachers Mr Brennan and Mr Kelly for getting it to such a high standard. As we celebrate the start of the school holidays with such beautiful reminders of God's great and endearing love for all of us, I hope that it is also a restful and joyful one. Please take good care and may the gladness and grace of Easter Sunday be ever present in your lives each day.

God bless.

## Pre-primary

*Mrs Mireinne Cumbo*

As part of our Lenten journey in preparation for Easter, we learnt a Rainbow Prayer to help us to think of Jesus' Journey which allows us to experience the resurrection. We spoke about Jesus' blood, God's light, the prayers, the palm leaves, the rest, His days of sorrow and the New tomorrow. We then used colours to represent all of these on the cross.

The following are some beautiful works of art the class has produced.

## Leadership Conference

*Miss Maya Quartermaine - Year 7 Student*

In Week 6 the Student Representative Council had the opportunity to attend a leadership conference that was held at the Perth Convention Centre. The conference was designed to support, inspire and empower student leaders. It was attended by students from many other different schools, who like us were also eager to learn how to become better leaders.

During the conference we met some extraordinary leaders and successful entrepreneurs, such as Lexi McDonald, Amanda Marshal and Wil Marissa. After attending the conference, we were all very much inspired and motivated by the speakers and the new skills that we learnt from them. We look forward to using these skills to make positive changes to Immaculate Heart College.
